CHECK-IN AND CHECK-OUT

Check in from 3pm. Are you arriving in Munich earlier? We are happy to look after your luggage. You can also book an early check-in from 10am. Start relaxing even earlier. Check-in is currently possible until 11 pm. In case of a late arrival after 23 o'clock we kindly ask you to contact us in time.

Check out up to 11am on the day of your departure. If you want to stay a little longer to explore Munich, we can look after your luggage for free until you depart. If you want a lie-in: choose our optional late check-out until 3pm and enjoy spending the morning in bed. Simply let us know when making your booking.

CAR PARKING AND MUNICH'S LOW EMISSION ZONE

If you are arriving by car, you can park in our parking garage for €16 per day. Please book in advance. Upon arrival, please park in the stop area in front of the hotel, unload your car and then report to reception. We will then move your car to the parking garage (it is somewhat hidden).

Please note: If you want to drive into the centre of Munich, you need a green emissions sticker for your car, as the centre of Munich is a low emission zone. This sticker is not just valid for Munich, but for all low emission zones in Germany. This means that if you already have an emissions sticker – perhaps you live in Berlin, Heidelberg, Stuttgart or Bremen – you don't need to do anything. Your sticker is valid in Munich too. If you don't yet have a sticker, you can apply for one here:

HOSPITALITY

Our reception staff are on hand from 8am to 11 pm to provide a friendly smile, an open ear and great insider tips for Munich.

Are you looking for the best bars and restaurants in town? We can tell you where to go! Would you like your favourite newspaper, a bouquet of flowers for your wife or a ticket for the local transport network? We will sort it for you! Need a taxi at 7:35am tomorrow? Let us book one for you!

HOTEL BAR

Our inviting lobby is home to our hotel bar, featuring a hand-picked selection of Bavarian beers, wonderful wines and fine liquors.

After a long day you may feel hungry, but you would rather not go to a restaurant? For moments like this, we have thought of something: Fresh and crispy pizzas and tarte flambée are now on the menu.

PUBLIC TRANSPORT

The Hotel Metropol enjoys a quiet, central location between the main train station and Theresienwiese. You can access all means of public transport (underground, local train network, tram, bus) in just a few minutes on foot.

The U-Bahn underground lines U1, U4, U5, and the U2, which offers a direct link to the exhibition grounds; all S-Bahn local train lines, as well as S1/S8 with a direct link to the airport; the tram lines 18, 19, 20 and 27; and the Lufthansa airport bus all stop at the main train station.
